

## **ERASE**

### **DESCRIPTION**

This industrial strength degreaser, is a water soluble, prespray which incorporates advanced concepts in chemical soil removal. This solvent formula will effectively remove a wide variety of soils common to industrial, institutional and residential situations. Problem stains such as accumulations of grease, oil, dirt, soot, smoke, food or beverages on carpeting, clean up quickly without complicated cleaning procedures. This product handles grease and grime with quick ease while assuring the removal of buildups that other products often can't clean.

### **INSTRUCTIONS**

When cleaning heavy grease and grime from carpeting, this product may be diluted up to 10-1. For light duty jobs such as pretreating stains it may be diluted as high as 25-1. When using this product make sure entire area is covered by product to ensure complete contact with solution. Allow 5-10 minutes dwell time, then rinse/extract. Do not allow this product to dry on glass, plastic or soft metals to prevent possible etching or pitting. Rinse these surfaces thoroughly if contact is made with them.

### **FEATURES**

- Works well on all surfaces
- Works well in all water
- Butyl degreaser
- Nonflammable
- Industrial strength
- Attacks problem stains

### **SPECIFICATIONS**
