

## Section V — Reactivity Data

|           |          |   |   |
|-----------|----------|---|---|
| Stability | Unstable |   | Conditions to Avoid: Applicable information not found |
|           | Stable   | X |   |

Incompatibility (*Materials to Avoid*): Strong oxidizing agents

Hazardous Decomposition or Byproducts: carbon monoxide and carbon dioxide

|                          |                |   |   |
|--------------------------|----------------|---|---|
| Hazardous Polymerization | May Occur      |   | Conditions to Avoid: Applicable information not found |
|                          | Will Not Occur | X |   |

## Section VI — Health Hazard Data

|                    |             |   |       |   |            |   |
|--------------------|-------------|---|-------|---|------------|---|
| Route(s) of Entry: | Inhalation? | X | Skin? | X | Ingestion? | X |
|--------------------|-------------|---|-------|---|------------|---|

Health Hazards (*Acute and Chronic*): May cause skin and eye irritation. Ingestion may cause gastric distress and severe diarrhea

|                       |      |    |                  |    |                 |    |
|-----------------------|------|----|------------------|----|-----------------|----|
| Carcinogenicity: None | NTP? | -- | IARC Monographs? | -- | OSHA regulated? | -- |
|-----------------------|------|----|------------------|----|-----------------|----|

Signs and Symptoms of Exposure: Irritation of skin and eyes

Medical Conditions Generally Aggravated by Exposure: Applicable information not found

### Emergency and First Aid Procedures

Skin: Flush with plenty of water and get medical attention.

Eyes: Flush with plenty of water and get medical attention

Ingestion: DO NOT induce vomiting. Dilute by giving large amounts of water and get immediate medical attention.

Inhalation: Remove to fresh air and get medical attention

## Section VII — Precautions for Safe Handling and Use

Steps to be taken in case material is released or spilled: Dike area to contain the spill. Dilute the spill with large amounts of water  
Pick up the material for disposal

Waste disposal method: Dispose in accordance to federal, state and local regulations.

Precautions to be taken in handling and storing: Keep in a cool place

Other precautions: Voluntary, DOT Identification: non-hazardous liquid – No labels required.

## Section VIII — Control Measures

Respiratory Protection (*specify type*): None

|             |   |             |
|-------------|---|-------------|
| Ventilation | Local Exhaust: --                                   | Special: -- |
|             | Mechanical ( <i>general</i> ): General air dilution | Other: --   |

Protective Gloves: Rubber gloves

Eye Protection: None

Other Protective Clothing or Equipment: Not required

Work/Hygienic Practices: Prevent skin contact
