

Black Magic

DESCRIPTION

When asphalt residues, grime, and dirt adhere to outside walls and lettering of tires and grease builds up on wheels and hubs, it can be impossible to remove at times. This is when Tire Mate becomes an important part of tire and wheel cleaning. Tire Mate is a complex blend of surfactants and degreasing agents that instantly cuts through dirt, grease, and petroleum residues and allows the filth to be easily rinsed away. Tire Mate can be easily used in manual applications with a trigger sprayer or metered through automatic dispensing systems.

INSTRUCTIONS

Product should be diluted at a rate of 1:10 to 1:30 depending upon the severity of soil and grease buildup. Apply to tires and wheels with a trigger sprayer, allow to dwell, scrub if necessary, and rinse away. Contact the manufacturer of your dispensing equipment for proper usage of alkaline degreasers in the equipment for best results.

FEATURES

- Excellent for use manually or in automatic systems
- Rinses freely
- Completely biodegradable
- Will not harm chrome or metal finishes or tires
- Contains detergents and emulsifiers

SPECIFICATIONS

Appearance: Purple Liquid
Odor: Bland
Specific gravity: 1.03

PH: 12.5
Biodegradable: Yes
Detergency: Moderate

SAFETY

Keep out of the reach of children! Non-toxic to users, non-corrosive to metal in recommended dilutions. Care should be taken not to splash this product into eyes. If so, rinse with warm water for 15 minutes.
