

Flood Ease

DESCRIPTION

Flood Ease is a highly effective odor neutralizer and flood restoration product. The active ingredients in Flood Ease quickly attack odors and the organic matter that cause them, leaving surfaces, fabrics, and carpeting odor free. This product is essential for use in situations of flooding caused by grey water or white water spills. A blend of 3 individual odor counteractants have been incorporated for the most effective neutralization possible.

INSTRUCTIONS

To neutralize odors on surfaces and carpets, clean all surfaces prior to treatment. Apply Flood Ease to area until thoroughly wet. Area should remain wet for at least 10 minutes. Apply with an electric sprayer or fogger for best results using proper respiratory equipment and protective clothing.

Product should be used as is to both porous and non-porous surfaces. It is not recommended that Flood Ease be mixed with other chemicals.

FEATURES

- Easy, Ready to Use Formulation
- Fresh Spring Fragrance
- Completely neutralizes foul and non-septic odors
- Leaves surfaces and carpets in a sanitary state
- This is a Tri-blend of powerful counteractants
