

## **FLY BEGONE**

### **DESCRIPTION**

Fly Begone is an effective insect deterrent, which works by micro encapsulation of citronella oil, which is offensive to flies and other crawling & flying insects. This product can be use on patios, decks, dumpsters and garbage cans or anywhere insect problems may occur. Fly Begone is totally biodegradable and environmentally safe

### **INSTRUCTIONS**

Shake well before using. Apply this product using a trigger type or garden type sprayer to boundaries on decking or around perimeter to protect against insect infestation in such area as patios, dumpsters, and foodservice establishments.

Fly Begone can even be added to cleaning solutions to prevent insect contact with cleaned surfaces.

A complete barrier should be sprayed for protection. Allow 15 minutes for odor to dissipate prior to entering sprayed area. One treatment lasts for hours and washes off with water.
