

Mildew & Stain Remover

DESCRIPTION

Mildew & Stain Remover is a powerful Ready-To-Use chlorinated cleaner and stain remover. This product features a blend of heavy duty cleaning agents that cut through greasy, oily soils and strong dose of chlorine that removes mold, mildew and the dark stains they can leave behind. This product is effective on ceramic tile, grout, fiberglass, concrete, stainless steel, and most surfaces not harmed by bleach. It is ideal for cleaning kitchens, bathrooms, showers, bathtubs, tub surrounds, and locker rooms.

INSTRUCTIONS

Do Not Dilute. Use as is. Spray surface to be cleaned, allow to dwell until dark stains are gone. Then rinse with plain water. For heavy build up apply and then agitate with stiff brush. Then proceed as above.

**DO NOT MIX THIS PRODUCT WITH ANY OTHER CHEMICALS SPECIALLY WITH AMMONIA.
HARMFUL OR TOXIC GASSES MAY BE PRODUCED.**
