

CR-30

DESCRIPTION

This bonnet shampoo is an unscented organic formula, which can be used on carpets, rugs, furniture, upholstery, automotive carpet and most fabrics. This product is highly effective in hot or warm water. This liquid contains emulsifiers that break down dirt, grease, oil, food residue and many other stains. They go into action rapidly on natural and synthetic fibers. This detergent's formula carries the strength of a highly concentrated cleaner for effective cleaning in hotels, motels, schools, hospitals and homes. Modified detergents give this product an improved cleaning strength that is achieved without using strong alkaline booster compounds. This product dries freely and completely. Safe for use on fifth generation carpet.

INSTRUCTIONS

For general cleaning use approximately 5-7 ounces per gallon of hot water. Dry foam extractors may require slightly more (starting high and decreasing) product until the desired results are achieved. Pay attention to carpet manufacturers general cleaning guidelines to retain carpet quality and any warranty in effect.

FEATURES

- V Dry suds formula
