

EXTRA

DESCRIPTION

A multipurpose, light to medium duty, alkaline, butyl based cleaner and degreaser concentrate. This water-based cleaner is safe to use and is extremely effective in cutting grease and grime on floors, engines, equipment, appliances, and painted surfaces. May also be used in automatic scrubbers and steam cleaners. This product also works well on removing wax and finish coatings from hard floors.

INSTRUCTIONS

This powerful degreaser is well suited for cleaning kitchen vent hoods, floors, fixtures and ovens. Industrial cleaning of motors, compressors, engines, condenser coils, walls, and floors are cleaned easily with varying dilutions of the concentrate. Can be used on all detergent resistant surfaces such as concrete, tile, brick, ceramic, iron, porcelain, chrome, stone, rubber and all washable painted surfaces. For heavy cleaning, use a mixture of 12-14 ounces per gallon of water. If light cleaning of painted walls, floors, equipment or bathroom fixtures is needed, mixture can range from 2 ounces to 10 ounces per gallon of water.

FEATURES

- Concentrated
- Non Flammable
- Multipurpose
- Safe on surfaces not harmed by water
- USDA Approved
- Works well in hard or soft water

SPECIFICATIONS

Appearance: Purple Liquid
Odor: Sweet
Specific gravity: 1.01
pH: 11-13

Detergency: Excellent
