

HAITIAN COTTON SHAMPOO

DESCRIPTION

A specially designed shampoo, which was designed for use on Haitian cotton fabric to help prevent browning due to moisture or impurities. Can also be used on carpets, rugs, upholstery, automotive carpet and most fabrics. Haitian Cotton Shampoo is equally effective in cold or warm water. This special built liquid contains emulsifier to break down dirt, grease, oil, food residue and many other stains. Fast acting on natural and synthetic fibers. Highly concentrated for effective cleaning.

INSTRUCTIONS

For general cleaning, use approximately 5-7 ounces per gallon of warm water. Mix with water in bucket. Apply foam to surface to be cleaned with a white towel or hand brush drying each small area as it is cleaned. Dry foam generators may require slightly more product until the desired results are achieved. Pay attention to fabric manufacturers general cleaning guidelines to retain fabric quality and any warranty in effect.
