

HANDISEP

DESCRIPTION

This product is a bacteriostatic liquid hand soap containing PCMX and lanolin for maximum skin protection. With regular use this product significantly reduces skin bacteria and helps prevent germ re-growth.

INSTRUCTIONS

Wet hands and add enough product to work up a rich lather. Rinse and dry hands. This product's special combination of proteins, emollients, and solubilized lanolin does the rest.

FEATURES

- Instant solubility
- High concentrate: 1/2 ounce per hand washing
- Economical
- Reduces skin bacteria
- Contains emollients and solubilized lanolin
