Java Jinx

Fast Acting Coffee and tea Stain Remover

DESCRIPTION

This product has been specifically formulated for the removal of coffee, tea, tobacco, browning stains, rust and leaf stains from synthetic carpets and hard surfaces. Its specialized formulation contains several active stain fighters with complex blends of surfactants and reducing agents that act quickly to break down organic material and dissolve residues away leaving the treated area soft and clean.

INSTRUCTIONS

Moisten stained area completely with solution. After application, stains should begin to fade. Tough and stubborn stains may require a second application. Then blot with hot water to remove the product residue.

FEATURES

- Contains Sodium Metabisulfite
- Attacks stains on contact
- Fast acting
- Effective on coffee, tea stains and rust

SPECIFICATIONS
