

LX-PLUS

DESCRIPTION

This modern, controlled suds, formula is designed to act quickly to break down stubborn dirt, grease and oil. It also provides a thorough cleaning combination while leaving a pleasant scent. This liquid, organic, carpet detergent is designed to be equally effective in hot or cold water. This biodegradable liquid contains fast acting cleaning agents, and organic solvents which are effective on natural and synthetic fibers. It is highly concentrated for effective cleaning in hotels, motels, schools, hospitals, and homes.

INSTRUCTIONS

For general cleaning use approximately 1-2 ounces per gallon of hot water. Truck mounted systems should use 2 quarts per 5 gallon holding tank and set meter to yield the best results. Always follow carpet manufacturers general cleaning instructions to retain carpet quality and any warranty that may be in effect. This product uses modified detergents rather than strong alkaline booster compounds to increase the cleaning power.
