

PARVOCIDE 99

DESCRIPTION

Parvocide 99 is a concentrated, multi-purpose, neutral pH, hard surface disinfectant which cleans, disinfects, and deodorizes in one convenient step and has been uniquely formulated to kill a broad range of microorganisms that cause diseases that can be passed from one pet to another. When keeping and raising pets within the home and in breeding facilities and kennels, it is imperative to keep all areas that come in contact with pets in clean and sterile conditions. Parvocide 99 is designed to kill viruses and bacterium associated with canines and felines such as Canine Parvovirus, Salmonella choleraesuis, Staphylococcus aureus, Escherichia coli, Pseudomonas aeruginosa, Pathogenic fungi and Trichophyton mentagrophytes.
