

PX PLUS

DESCRIPTION

This product is a pleasantly scented, organic, carpet detergent, which is designed to be equally effective in hot or warm water. PX-PLUS's powdered formulation may be used in standard, water extraction, carpet-cleaning equipment. Breaks down tough dirt and grime. Recommended for use in portable, truck mounted, or self-contained equipment. PX-PLUS powder is 100% biodegradable, contains complex surfactants and is effective on both natural and synthetic fibers. Highly concentrated for effective cleaning in hotels, motels, schools, hospitals, and homes.

This modern, controlled suds formula is designed to act quickly to break down stubborn dirt, grease and oils. PX-PLUS Powder also provides a thorough cleaning combination and prevents redepositing of particulate which causes discoloration and a break down in the strength of fibers.

Instead of using strong alkaline booster compounds, PX-PLUS Powder takes advantage of modified detergents to boost the cleaning process.

INSTRUCTIONS

For general cleaning use approximately 1-2 scoops per 3 gallons of hot water. Truck mounted systems should use 1.5 pounds per 5 gallon holding tank. Adjust meter in accordance to desired results. Always follow manufacturers general cleaning guidelines to retain quality of goods and any warranties.

FEATURES
