

TOP CARE PREMIUM POWERED DEFOAMER

DESCRIPTION

Premium Powdered Defoamer a free flowing, dry crystalline defoamer that is sprinkled on the carpet prior to cleaning to provide continuous elimination of foam in the recovery tank during extraction.

INSTRUCTIONS

For residential and commercial carpets. Always pre-test in an inconspicuous locations.

Truck Mount Use & Portable Use: Apply defoamer directly to carpet before extraction cleaning at the rate of 2-3 tablespoons per 100 square feet. Increase quantity used at intervals of 1 tablespoon per 100 square feet if a high amount of detergent residues exists from previous cleaning. Clean carpet according to industry accepted procedures.

FEATURES

- Economical
- Use in portables, truck-mount units and self contained machines
- Prevents build up of foam
